Website Accessibility Statement

The Catholic Parish of **St Ethelbert & St Gertrude** is committed to ensuring that our website is accessible to all visitors, including people with disabilities. We want everyone to be able to access information about our parish, Mass times, sacraments, ministries, events, and community life.

Our Commitment

We aim to make our website as accessible and usable as possible by:

- Using clear and consistent navigation.
- Providing content that can be accessed using a keyboard.
- Supporting screen readers and other assistive technologies.
- Maintaining readable text with appropriate colour contrast.
- Allowing users to resize text and zoom pages without loss of functionality.
- Providing alternative text for images where appropriate.

We continuously review and improve the accessibility of our website.

Known Limitations

Despite our efforts, some content may not yet be fully accessible. For example:

- Some older PDF documents may not be fully compatible with screen readers.
- Some historic photographs or archived content may not have detailed alternative text.
- Third-party services or embedded content may not fully meet accessibility standards.

We are working to address these issues whenever possible.

Requesting Information in Alternative Formats

If you require information from this website in an alternative format, such as large print, accessible PDF, or another format, please contact us.

Contact Us

Catholic Parish of St Ethelbert & St Gertrude
Email: ramsgate@rcaos.org.uk
Telephone: 01843 594031

When contacting us, please provide:

- The webpage or document you need.
- The accessibility issue you encountered.
- Any format requirements you may have.

We will do our best to respond promptly and provide the information you need.

Feedback

We welcome feedback on the accessibility of our website. If you encounter any barriers or have suggestions for improvement, please let us know. Your feedback helps us make our website more accessible for everyone.

Accessibility Standards

We aim to meet the requirements of the **Web Content Accessibility Guidelines (WCAG) 2.2 Level AA**, the internationally recognised standard for web accessibility.

Review of this Statement

This statement was prepared on **1st August 2026** and will be reviewed regularly to ensure it remains accurate and up to date.
